

FORM MPTC 92

[See Subsidiary Rule 794 and 797]

Return showing Silver Coins cut or broken during the ending

on account of being reduced in weight.

Denominations	Number cut and received on payment*			Cut and rejected
	Over 2 per cent but not more than 6-1/4 per cent	Over 6-1/4 percent but not more than 25 percent	Over 12-1/2 percent but not more than 25 percent	
(1)	(2)	(3)	(4)	(5)
Rupees..... Half-rupees... Quarter-rupees... Eight-rupees..				

*Coins returned after cutting to the tenders, because they refuse to receive payment at the rates given in Appendix 15, may be included in those columns.

Note(1)- Columns(2) and (3) are intended for rupees and half rupees and column(4) for quarter and eight rupees only.

Note(2)- the entries in column (5) should represent silver coin cut and rejected as having lost more than 25 percent in weight and as having been fraudulently defaced.
